Congress for Reconstruction of Ukraine

The Congress for Reconstruction of Ukraine is a prelude to a dialogue on the needs of the Ukrainian economy and the opportunities for partners who are ready to work together.

We invite you to present your offer, participate in panel discussions, seminars, and networking to best prepare the legal and economic ground for cooperation in the reconstruction of Ukraine.

Organiser:

Patronage of the Government
Plenipotentiary for Polish-Ukrainian
Development Cooperation:

Ministerstwo Funduszy
i Polityki Regionalnej

Sekretarz Stanu
Jadwiga Emilewicz

Present your offer in the exhibition arena

The Congress agenda covers areas such as:

- linear and large-scale construction
- energy
- IT and ICT technologies
- cyber security
- banking and insurance
- transport and logistics
- waste management
- water and sewage management

1st edition: 21-22 September 2023

40 debates

1000 participants

100 speakers

Benefits for Partners

- Opportunities for the participation of Polish companies in the reconstruction of Ukraine
- Presence of decision-makers
- Meetings and networking
- Media interest
- Offer with promotional activities

Evening networking

An important highlight of the Congress will be an evening networking event, during which talks on Ukraine's reconstruction process will continue.

International meeting of participants, speakers, representatives of public administration, partners and exhibitors of the COMMON FUTURE Congress

Location

A multifunctional complex consisting of 4 pavilions connected by the so-called Linden Avenue. The nearly 20,000 sq. m. facility is distinguished by its modern architecture and almost unlimited space arrangement possibilities.

The complex has eight conference rooms, food facilities and a spacious entrance hall with financial and reception infrastructure.

This is where top industry events take place, this is where new products and releases are shown. This is where business leaders meet to make key decisions about the future of their businesses.
